

Zonta Club of Truro Area

Funding or Grant Requests

The Zonta Club of Truro Area invites requests for funding from Colchester County community groups and organizations on an annual basis.

Criteria for Selection:

1. The program or project must support Zonta's objectives and goals to enhance the status of women.
2. The requested funds will be used to support a program or project for which no other funding sources are available. Funding will not normally be allocated to support the general operations of a program (i.e.) payroll.
3. To ensure the greatest number of residents of Colchester County benefit from the fundraising of our club, requests that support programs or group activities are given preference. A request to support an individual may be considered, if the Club has any funds available and the request meets all other criteria.
4. Only requests in writing will be considered.

Please include the following in your funding request:

1. An outline of the purpose for which the funds are sought, a brief description of the program or project being supported by the funds and any other related details of the project, particularly if it is of a one time or special nature.
2. If funding was received in the past year from the Zonta Club of Truro Area, a brief explanation of how the funds were used and a brief description of the outcomes achieved is requested.
3. An estimate of the overall costs for annual operations or the special project and its major source of funding.

Submission Date:

March 31 of each year

Send requests for funding to:

The Zonta Club of Truro Area

Attention: Chair, Service and Status of Women Committee

PO Box 325, Truro, NS, B2N 5C5

The Service and Status of Women Committee meets in early April to consider written submission and grant requests. Funds are allotted to successful applicants each year by mid June.
